[This is the "Schematic Drawing", this is ALWAYS provided with all measurement services.]

What is a Schematic Drawing?

A schematic drawing; is a measurement diagram of the properties perimeter, with an accurate explanation of how a property is measured to the RMS.

The green line represents the measure line, the area within this line is included in the total developed area.

The Schematic Drawing shows the following depending on the style of property:

For Attached Properties and Condominiums the measurements represented above are Interior Measurements in accordance with Principle 4 of the RMS

Detached Properties the measurements represented above are Exterior Foundation Surface Measurements in accordance with Principle 3 of the RMS
